Description

ONLY 68' CHEOY LEE MOTORYACHT AVAILABLE IN THE US

Cheoy Lee Yachts has well over a century of shipyard excellence under its wings, with humble beginnings its quality and craftsmanship has been maintained by the same family since its 1870 creation in Shang Hi, China. Cheoy Lee Yachts continues to be managed by 4th and 5th generations of the Lo family now headquartered in a sophisticated powerhouse production facility on the Pearl River in Southern China.

Two of the main focuses of Cheoy Lee Yachts is to remain dedicated to the best quality products with service to match and to keep advances in technology top of mind. Staying innovative with composite construction for both its luxury yacht and commercial fabrication processes, Cheoy Lee has kept production and quality high which contributes to owner satisfaction and a brand that is highly esteemed delivery after delivery. This 2006 Cheoy Lee 68' is no exception.

Highlighting AMAJEN'S distinctions include low-hour reliable Caterpillar Electronic controlled 3412E-1400 HP main engines and Dual Northern Lights gensets with sound shields (one 33KW, one 20KW). Mathers ClearCommand electronic engine controls, New Maximo model dual channel Yacht Controller with backup Portside aft wired control remote plugin, Naiad 254 hydraulic stabilizer fin system, Naiad Hydraulic bow and stern thrusters, AGM batteries. Updated MarineAir chilled water air conditioning/heat climate system, 35-gallon hot water heater, FCI 1500 Watermaker, ACR Epirb Beacon, newly replaced custom 4-sided flying bridge enclosure with EZ2CY Polycarbonate Panels, exterior teak decks throughout, staples and tender cleats on swim platform, Glendinning Cablemaster, Nautical Structures HCR 1500lb electric/hydraulic yacht crane and never used new 14' Highfield RIB center console tender with new Yamaha 60 hp 4-stroke outboard.

This low hour totally updated yacht will cruise at 28 knots when you want to get home from the Exuma's in a single day, or cruise quietly at 10 knots on 12 gph, with over 1500 NM range. Shallow draft and dual bow and stern hydraulic thruster make for effortless handling and make this ship a perfect family or shorthanded cruiser. It's ready for island duty immediately.
