Description

Discover the perfect yacht for your next adventure on the water! The Marquis 50 SportBridge will not disappoint with her open concept spaces, high quality construction and no expense spared maintenance pedigree. She is powerful and nimble with her triple VolvoPenta IPS600 propulsion. Handling around the dock is a dream with Volvo's joystick docking system and open water performance is stellar with her advanced hull design and ample power. Interior spaces are inviting, luxurious, and host a complement of amenities and accommodations in her 3 spacious staterooms. The open concept salon and galley are well suited for everything from a nice family night, to entertaining friends and guests onboard. With fantastic performance and amenities to enhance your journey, the 50' Marquis sport coupe ensures every voyage is unforgettable. Low hours, freshwater only use and professionally managed, she is ready for your next voyage.
