Description

The 2006 85' Pacific Mariner is a luxury motor yacht renowned for its elegant design and exceptional performance. This vessel, crafted by Pacific Mariner, a division of Westport Yachts, offers a harmonious blend of comfort, style, and seaworthiness, making it a standout choice for discerning yachting enthusiasts.

Measuring 85 feet in length, the yacht boasts a sleek and timeless exterior profile with a hull designed for smooth cruising and stability. The spacious flybridge, equipped with a helm station, wet bar, and ample seating, provides an ideal spot for relaxation and panoramic views. The main deck features an expansive salon with large windows, flooding the interior with natural light and offering stunning vistas of the surrounding seascape.

The interior of the 85' Pacific Mariner is meticulously appointed with high-quality materials and finishes. The open plan salon and dining area create a welcoming atmosphere for entertaining guests. The well-equipped galley features modern appliances and ample storage, ensuring culinary convenience for extended voyages.

Accommodations include four beautifully appointed staterooms, each with its own en-suite bathroom, offering comfortable and private quarters for up to eight guests. The master suite, located amidships, is particularly noteworthy for its generous size and luxurious amenities.

Powered by twin MTU engines, the 2006 Pacific Mariner delivers impressive speed and efficiency, ensuring a smooth and enjoyable cruising experience. With advanced navigation and entertainment systems, this yacht offers the latest in maritime technology.

Overall, the 2006 85' Pacific Mariner represents a pinnacle of yachting excellence, combining sophisticated design, luxurious comfort, and reliable performance for unforgettable journeys on the water.

Vessel Walkthrough

LIFE'S A JOURNEY is hull # 4 of the well-respected 85' Pacific Mariner series. The original exterior design was modified in 2010, while the general arrangement and systems remained unchanged. To suggest LIFE'S A JOURNEY is the standard bearer of the pre-2010 fleet is understated.

The interior has all NEW LED fixtures and lights August 2020 by Maritime Marine, fresh upholstery, headliners, NEW carpet October 2020, and reconditioned wood treatments. The Satellite communication & TV systems and AV equipment all replaced with latest technology items. MAJOR UPGRADE August 2020.

The main engines have been continually serviced in keeping with MTU requirements, including a clean borescope. Major overhaul by Western Branch Diesel (MTU dealers) 2018. New starboard generator (25kw Northern Lights) RPM Diesel 2018. Exhaust system was removed and replaced by Deangelo Marine 2018. Watermaker was rebuilt with new membranes 2020, ALL NEW BATTERIES 2020, Complete re-paint March 2018 by Luu Marine.

Boarding aft is via the swim platform then up teak stairs port and starboard. NEW boarding gates port and

starboard 2018. The teak aft deck has built-in bench seating at the aft section facing forward. The table is varnished teak from Blue Water with a compass rose in center and canvas cover with five wicker chairs. Two Elber cameras panning 275 degrees and (14) lights are overhead. Stern controls and docking station to port. A curved ladder to flybridge is portside and full walk-around decks.

The main salon is entered through sliding glass doors and has satin finish cherry wood and floor-to-ceiling windows at the aft section. Ronnie's carpet was installed throughout entire vessel August 2020. There are two barrel chairs facing forward and an L-shaped sofa to port facing aft with storage below. A cherry burl coffee table is in front of sofa with a cherry table between 2 chairs across. Pop-up TV is across to starboard with audio visual components forward. Forward to starboard is an L-shaped bar.

Up three steps forward is the galley to port with granite counter tops, Levlor blinds, Amtico floors and full appliances. The on-deck powder room is across to starboard with ample storage. Furthest forward is an L-shaped settee to port that has seating for five facing forward with large cherry wood & burl table. Furthest forward is the lower helm station with a full complement of electronics, gauges and navigational aide with MAJOR UPGRADES August 2020 by High Seas Technology.

Moving forward and down six steps is the VIP cabin. Down 4 steps aft are 2 additional guest cabins. The starboard guest cabin has an oversized queen berth with storage below. The port guest cabin has twin berths with storage below as well.

Down a 10 step semi-circular stairwell from forward port section off salon is the master stateroom with full beam suite midship with king king-sized berth and storage below.

Up curved stairs from port side aft deck is flybridge access. There is further access from an internal stairwell starboard side forward section of main salon. Access to the forward deck can be either from aft deck or port and starboard Freeman doors in pilothouse.

Access to the engine room and crew quarters is through a watertight transom door. There are two crew cabins aft to port and captain's cabin to starboard with double-sized berth. Forward of crew area is the watertight door to the standup engine room with new LED lights.

- KVF 7 Hi-def antenna
- MTU controls with back-up system
- Generator control panels
- (2) ACR spotlights
- Weather station with barometer, atomic clock and outside temp
- Satellite phone NEW
- Panasonic phone system with cell, satellite & land modem
- Power assisted hydraulic steering
- Wood rimmed stainless steel steering wheel
- Stidd motorized helm & companion chairs at lower helm, new cushions - back and arm rests
- Sliding pantograph doors, port & stbd
- Retractable screens on doors
- Chart light with red lens
- (3) Chart drawers
- Xenon lighting with dimmers
- Stairway to lower level accommodations
- Stairs to flybridge
- Raised upholstered settee & built-in drawer storage
- Digital A/C room temperature control
- Stereo speakers connected to main system with volume control
- Tempered windshield glass with frameless flush design
- Heavy duty windshield wiper/washers w/intermittent operation
- Windshield defog system
- Windshield cover
- Touch screen systems monitor
- (2) 24" Garmin GPSMAP 8624 HD Touchscreen
- Radar Garmin GMR2526XHD-2 open-array 96 NAUTICAL MILES
- Icom M605 VHF
- Garmin GXM54 XM Satellite Antenna
- Garmin Reactor 40 Autopilot Corepack with Smartpump/Shadowdrive
- NEW Garmin wind/depth/speed/multifunction displays
- Naiad Multi Sea II stabilizer controls
- Naiad bow thruster control - hydraulic - PTO off starboard gen (33kw)
- Magnetic compass
- (2) AC/DC distribution panels

Swim Platform

- Boarding platform - 7-step Marquipt tide ride ladder and turn table
- Stainless steel swim ladder
- (3) Stainless steel 8" pop-up cleats
- Stainless steel hoop rails
- Hot & cold shower
- Stairways to aft deck
- Door to crew quarters
- Storage locker

Aft Deck

- S/S steel sliding glass door to salon with tinted safety glass
- Custom upholstered bench seating and custom table with (5) wicker barrel chairs
- Aft deck boarding gates port and stbd 2018
- Access to crew quarters
- Staircase to flybridge
- Docking windlass, port and stbd
- Shore power cords - Glendinning port and stbd
- CATV and phone inlet
- Xenon lighting
- Freshwater washdown
- Dockside water inlet

Master Stateroom

- Garmin GPSMAP 8610 10" IPS touchscreen
- Full-beam stateroom with private entry doors
- King size bed with custom spread and shams
- Custom overhead panels
- Aft two bulkhead walls redone in satin finish cherry (Francesco Pimentel)
- Built-in nightstands with storage
- Custom built-in bookshelves
- Sharp 30" Flat Screen TV with DVD and DSS receiver
- Stereo system
- Built-in dressers and vanity
- Custom desk with bookshelves, storage and chair
- (2) Swing arm reading lights
- (4) Portlights with screens
- Custom Hunter Douglas blinds

Master Head

- Granite countertop with 2 sinks
- Marble flooring with custom glass tile inlay
- Grohe faucets
- Marble shower and large 5' Jacuzzi tub
- Tempered glass shower enclosure
- Matteo bidet
- Mirrored vanity with storage
- Full-length mirror on door
- LED lights
- Opening portlight with screen
- Custom Hunter Douglas blinds

VIP Stateroom

- Queen size bed with custom spread and shams
- Built-in drawers under berth
- Sharp 20" flat screen TV with DSS receiver, DVD and VCR
- Stereo with CD and remote
- Cedar-lined hanging locker
- Xenon lighting
- (2) Swing arm reading lights
- Digital A/C controls
- Escape hatch with screen and privacy cover
- (2) Opening portlights with screens
- Custom Hunter Douglas blinds
- Private bath with marble countertop, Kohler sink, marble flooring with custom glass tile inlay, Grohe faucet, shower with safety glass door, mirrored vanity with storage and Xenon lighting

Queen Guest Stateroom Starboard

- Queen size bed with custom spread and shams
- Built-in drawers under berth
- Sharp 15" Flat Screen TV with DSS receiver, DVD and VCR
- Stereo with CD player with remote control
- Cedar-lined hanging locker
- Xenon lighting
- (2) Swing arm reading lights
- Digital A/C controls
- Escape hatch above berth with screen and privacy cover
- (2) Opening portlights with screens
- Custom Hunter Douglas blinds
- Private bath, marble countertops, Kohler sink, marble flooring, Grohe faucet, shower with safety glass door and mirrored vanity with storage

Guest Stateroom Port

- Twin beds with built in-drawers, custom spread and shams
- 15" Flat Screen TV/DVD and VCR
- Stereo with CD player and remote
- Cedar-lined hanging locker
- Xenon lighting
- Reading lights
- Digital A/C controls
- Opening portlight with screen
- Custom Hunter Douglas blinds
- Private bath with marble countertops, Kohler sink, Marble flooring, Grohe faucet, shower with safety glass door, mirrored vanity with storage and opening portlight with screen

Crew Quarters

- Captain's cabin with Queen size berth, drawer storage below, custom spread & shams
- Sharp 13" TV with DVD & DSS receiver
- Cedar-lined hanging locker
- Xenon lighting
- (2) Reading lights
- Opening portlight with screens
- Custom Hunter Douglas blinds
- Stand-up GE freezer
- Counter top GE refrigerator
- Crew head with stall shower, vanity with Corian counter, sink, mirrors & Headhunter head
- Distribution panel forward
- Water tight door to stand up engine room
- Crew Galley: GE freezer and fridge, Sharp microwave & sink, GE washer & dryer units, Settee converts to pullman berth, Sharp Flat Screen TV, DVD, DSS, receiver & stereo system
- Bosch washer & dryer
- Reading lights
- Digital A/C controls
- Parts storage cabinet
- Access to engine room
- VHF radio
- Systems monitor
- Simrad digital repeater

Companionway

- Maytag Neptune washer/dryer
- Storage cabinet

Flybridge Equipment and Electronics

- (2) NEW Garmin 16" touchscreen displays networked to pilothouse
- FLIR M364C night vision camera networked to Garmin system
- Garmin wind/speed/depth multifunction displays networked to pilothouse
- Garmin Autopilot control GHC20 networked to pilothouse
- Sat Phone - KVF Trane & Trane with internet capabilities
- MTU instruments & controls
- NEW Icom M605 VHF radio
- Bow thruster control
- Magnetic compass
- Wing stations, port & stbd
- Stereo speakers connected to salon system
- Lazy Man recessed electric grill with (4) burner cooktop with hood
- Refrigerator with separate icemaker
- Sink with single lever faucet
- (3) Stidd helm & companion chairs
- Stainless steel steering wheel
- Hydraulic steering, power assisted
- Overhead lights
- Custom curved windshield
- Custom oversized windscreen
- Hardtop w/3 sided Eisenglass enclosure
- Hinged mast on hardtop above

LIFE'S A JOURNEY

- Naiad 38hp hydraulic bow thruster
- Power assisted hydraulic steering
- DC control panel / AC control panel outside engine room
- Nibral 5-bladed propellers and prop shafts - replaced 02/2016
- (2) spare props
- Propeller shafts 3" 22 HS
- Dripless shaft seals w/crossover plumbing - (2) spare seals each
- Struts, heavy-duty bronze w/rubber cutlass bearings
- Dripless seals for rudders
- Generator & main engine sea strainers
- Racor fuel filters for generators
- Oil change system for engines & generators
- 55 gal. new & used oil tanks
- Water system, pressurized 24v DC & 110v DC w/back-up pump
- Water tank, 316L stainless steel
- 1400 GPD Sea Recovery water maker / Spot Zero
- Dockside water connection with pressure reducing valve
- Freshwater outlet in engine room - hot & cold
- Water heater, 60 gallons
- 200 gal FRP holding tank
- Head Hunter Tidal Wave waste treatment system
- Fire Boy five suppression system
- Seacocks on all underwater thru-hulls
- Engine room camera
- Vinyl engine room floor
- Awlgripped engine beds - engine mounts all replaced 11/2016 Wester Branch Diesel - new oil pan gaskets

- **Sound Package:**

- Underwater engine exhaust with vectored cowl
- Underwater discharge air conditioning system
- High-density foam cored engine beds
- Soundown double-density sound foam w/barrier in engine room
- 3M Thinsulate insulation in living areas
- Sound deadening tiles in strategic locations
- Inline silencers on air conditioning ducts
- Generator sound shields w/sound attenuation kits
- All pumps and motors installed on isolation mounts
- Secondary mufflers on generators with underwater discharge
- Generators installed on double isolation mounts
- Insulation on engine mufflers
- Sound absorbing pads under carpets

Electrical Systems

- Northern Lights 33 KW Generator with PTO for thruster
- Northern Lights 26 KW Generator starboard - NEW 2018 RPM DIESEL
- 4800w inverter with built-in charger
- (2) Voltage boosting transformers 50 amp
- (2) Shore power inlets, 100 amp
- (2) Glendenning cablemaster remotes
- (2) Shore power cords
- 120/240v DC distribution panel in crew quarters w/magnetic breakers, backlit labels, digital AC frequency, amp & voltmeters, split buss system with source selector switches & interlocks
- Receptacles, 120v DC GFCI protected all
- Systems monitor 24v DC distribution panel with magnetic breakers, backlit labels & digital amp & voltmeters
- Battery chargers, 12v & 24v
- Bonding system
- 24v DC engine room ventilation
- 24v DC fluorescent engine room lighting LED
- 24v DC navigation lights
- 24v DC bilge pumps with float switches
- Phone & CATV inlet with 50' cable
- Courtesy lighting
- Heavy-duty battery switches
- Battery paralleling switch
- ALL NEW BATTERIES 2024

Deck Equipment

- (2) Windlass 4000lb with warping capstans - partially rebuilt
- (2) Stainless Steel Anchors 2018
- 300' high test chain each
- Stainless steel anchor mount
- Dual anchor system
- Added aft deck boarding gates port & starboard - 2018
- Kahlenburg horn
- Windshield system tempered safety glass frameless flush design
- 316 Stainless steel bow, spring and stern cleats
- Walk-around side decks
- Boarding forward port & starboard via Tide Ride ladder
- Fuel fills, port & stbd
- Water fills, port & stbd
- Holding tank pump outfitting
- Stainless steel handrails
- Sunpad cushion with handrails
- Fender locker on foredeck with stainless storage hooks
- Bosen locker in deck

Hull and Construction

- Repainted with Imron - 2018 by Luu Marine
- UV resistant white gelcoat
- Vinylester resin barrier coat on hull & deck
- Airex cored hull bottom & topsides
- One piece fully cored unitized deck
- Cored fiberglass stringers
- Five composite structural bulkheads
- Epoxy barrier coat
- (4) underwater lights
- Fiber optic lighted name boards port and starboard
